Shop Kwik Has New Owners

Late last year Gary's Shop Kwik was purchased by Joe and Shelly Dzieken of Mondovi.

They have expanded the store's offerings with more than 50 new items and they continue to carry the gas, diesel and convenience items you've come to expect at Shop Kwik. Coffee & cappuccino, cold drinks, grocery items, healthy fruit/vegetable drinks, snacks, hot & cold sandwiches are just a few of the items. The station also sells bait and is a DNR deer registration station.

Shelly is an area native and Joe has lived in Mondovi since 1987 and both have family in the area. They are the proud parents of four sons: Dillon, Colter, Clay and Dustin. Shelly has a background in purchasing and management and Joe has a background in construction. Both Joe and Shelly work in the business.

Store hours are 4:00 a.m. to 10:30 p.m. Monday through Friday and 5:00 a.m. to 10:30 p.m. on weekends.

Mondovi Industrial Park Lots

If you are considering building a new facility for your business you should locate in the Mondovi Industrial Park. Available lots range in size from 1.4 acres to just over 2 acres, but all have similar sizes of usable acreage because of setback or topography. All lots are priced at \$15,000.00 each and an incentive plan is in place to reduce the cost of the land for companies that create or retain local jobs. For more information call Mondovi City Hall, 926-3866.
