Patrolman

City of Mondovi Police Department
Police Chief Colin Severson
225 E Main St.
Mondovi, WI 54755

Attention: City Administrator/Clerk Bradley Hanson

You inquired the approximate number of times the City's Police Department patrols N. Washington and N. Eau Claire/County Highway H. As a working chief and previous discussions with officers, we patrol those areas within the City at least ten (10) times per shift. This is due to the busy Downtown business district, storage units, previous vandalism within City parks, and high valued industrial equipment. These aforementioned items are all adjacent to County Highway H and within the Industrial Park along N. Washington. These circumstances justify why we patrol so often on these roads.

Part of your inquiry included how many times the City patrols County Highway H. The City of Mondovi assists Buffalo County Sheriff's Office routinely with their calls for service. We estimate that responding to or returning from these calls would place a City Police Officer on County Highway H on average one time per day.

Sincerely,

Colin K. Severson 34-1

Colin K. Severson
Police Chief
