

## **PUBLIC NOTICE**

**City of Mondovi Parking Ordinances** 6.07(5)(a) and 6.07(5)(b) are in effect starting November 1 through April 30 from 2:00am until 6:00am and will be enforced regardless of snow fall.

6.07(5)(a) regulates parking in the downtown business district, which is no parking on those city streets during the times stated above.

6.07(5)(b) established alternate side parking on all city streets except streets listed in 6.07(5)(a) or unless other parking regulations are in effect on the street.

Alternate side parking means vehicles will be parked on the odd side of a street designated by property addresses on odd days of the month and on the even side of the street on even days of the month.

Remember to park according to the date after midnight. For example: if it is 8:00pm on December 6 and you plan to leave your car parked overnight, you would need to park on the odd side of the street so that at 2:00am on December 7, you would be parked on the correct side of the street.

The parking penalties are: First offense is \$10.00, second offense is \$20.00 and third offense is a fine and forfeiture of \$169.00 and your vehicle will be towed.

Please take the time to understand and abide by the Parking Regulations to avoid inconvenience and unwanted expense. If you have any questions, contact the Police Department.
